The Comptroller to the Government of Mysore,

Sir,

I have the honor to submit herewith for sanction of Government Proposition statements in duplicate, for the revision of the Establish-ment of the Govt. Gardens at Mysore.

The proposal involves readjustment of the scale of pay, small reduction in some and increase in others of the numerical strength and a few new appointments. It has become very difficult to get men at the low rate of pay fixed for some of the posts, and it is therefore proposed to reduce the number of such posts on some Establishments, and to abolish it altogether in others. The only appreciable increase in number is in the Establishment of the garden for the Private Secretary's quarters, where the existing Establishment is found to be quite inadequate. An increase of Rs.20/- is proposed to the pay of the Park Overseer, whose charge has now increased by the addition of the Hardinge Circle and Government House Gardens.

The effect of the revision is an increase of Rs.71/- per mensem or Rs.852/- for the year. I request that it may be sanctioned as an additional grant for this year and effect given to the order from 1st. Jaunary 1917.

I have the honor to be,
